Dear Sirs,

We are pleased to enclose herewith the Renewal Certificate issued in electronic format in connection with the above-identified Trade Mark, received from the Italian Patent & Trademark Office. This document has to be considered as an "original" in all respects and no further attestation of conformity or stamp duty should be required. If desired, an authenticated hardcopy of the digitally-signed document may be obtained from the Office.

Please note the following registration details:

Renewal Registration No. : 362015000018125 (\*)  
Issuance date : December 05, 2016  
Next renewal date : **June 06, 2025**

(\*) Please note that upon registration the Office maintains the same number allotted to the application.

(\*\*) Please note that the application number indicated at point 2. of the Renewal certificate is the conversion of the previous application number according to the new IPTO 15-digit numbering system.

The next renewal is due on or before (up to 12 months without shortening the registration period) the date given above in this letter.

It is advisable to make effective use of the Mark in commerce in Italy within five years from the date of registration and not to suspend use for subsequent periods of five

consecutive years, as otherwise the registration becomes open to attack on the ground of non-use.

The certificate contains all data as of the renewal application date, excluding any possible subsequent changes, reflected by separate documents.

Reminders concerning the next renewal due date shall be forwarded in due course; please make sure to communicate to us any changes of address to ensure receipt.

Our debit note for services rendered will follow by separate mail from our accounting department.

Please do not hesitate to contact us should you require any additional information or clarification.

Yours faithfully,  
JACOBACCI & PARTNERS
